Greetings from SITCOE

Subject: Invitation for conducting Value Addition Program on "Industrial Automation using PLC and SCADA"

Dear Sir,

We are the emerging Autonomous Institution of western Maharashtra, recognized by all India Council for Technical Education (A.I.C.T.E.) New Delhi and affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere. Since its inception our institute is taking untiring endeavors for the betterment of rural students.

We offer following degree courses in our institute.

Course	Intake
1. Mechanical Engineering	60
2. Electronics and Computer engineering	120
3. Electrical engineering	60
4. Computer engineering	120
5. Civil engineering	60
6. Artificial Intelligence and Data Science	60
7. Mechatronics Engineering	60
8. Automation and Robotics Engineering	60

We are glad to invite you as an expert for conducting Value Addition Program on "Industrial Automation using PLC and SCADA" from 14th November 2022 to 19th November 2022. So we would like to request you to grant us permission for concerned program.

Your favorable response in this regard will be highly appreciated.

Yours Truly,

Dr. S. K. Shikalgar

Greetings from SITCOE

Subject: Invitation as an expert for the lecture on "IoT based applications in signals & systems"

Dear Sir,

We are the emerging institution of western Maharashtra, recognized by all India Council for Technical Education (A.I.C.T.E.) New Delhi and affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere. Since its inception our institute is taking untiring endeavors for the betterment of rural students.

We offer following degree courses in our institute.

Course	Intake
1. Mechanical Engineering	60
2. Electronics and Computer engineering	120
3. Electrical engineering	60
4. Computer Science & Engineering	180
5. Civil engineering	60
6. Artificial Intelligence and Data Science	60
7. Mechatronics Engineering	60
8. Automation and Robotics	60

We are glad to invite you as an expert for the lecture on "IoT based applications in signals & systems" on 26th August 2022 at 12.10 p.m. So we would like to request you to grant us permission for concerned lecture.

Your favorable response in this regard will be highly appreciated.

Report of Guest Lecture

Date: 26/08/2022

Time: 12.10 to 02.10 PM

Topic: IoT Based applications in signals & systems

Resource Person: Dr.P.K.Kharat (Associate Professor, Walchand college of Engineering, Sangli.)

The guest lecture was conducted on Friday, 26/08/2022 for the class of TY Mechatronics on the topic of "IoT Based applications in signals & systems". It was really helpful for students as they got idea about the practical applications of IoT.

The Resource Person, Dr.P.K.Kharat started the topic from basics of IoT i.e. how Internet of things can be used to describe physical objects with sensors, processing ability, software, and other technologies that connect and exchange data with other devices and systems over the Internet or other communications networks.

He also guided through various applications of IoT in signals and systems. At last he provided information about the current trends and applications of IoT in smart vehicles, smart homes, smart healthcare etc along with the future of IoT.

The strength of students was good for the lecture. 53 students out of 72 were present. Attendance sheet is attached with this report.

Introduction and vote of thanks was proposed by Mr.Y.Y.Kamble. Some glimpses of program are attached with this report.

Report of Guest Lecture

Date: 23/09/2022

Time: 12.10 to 1.30 PM

Topic: Presentation Skills

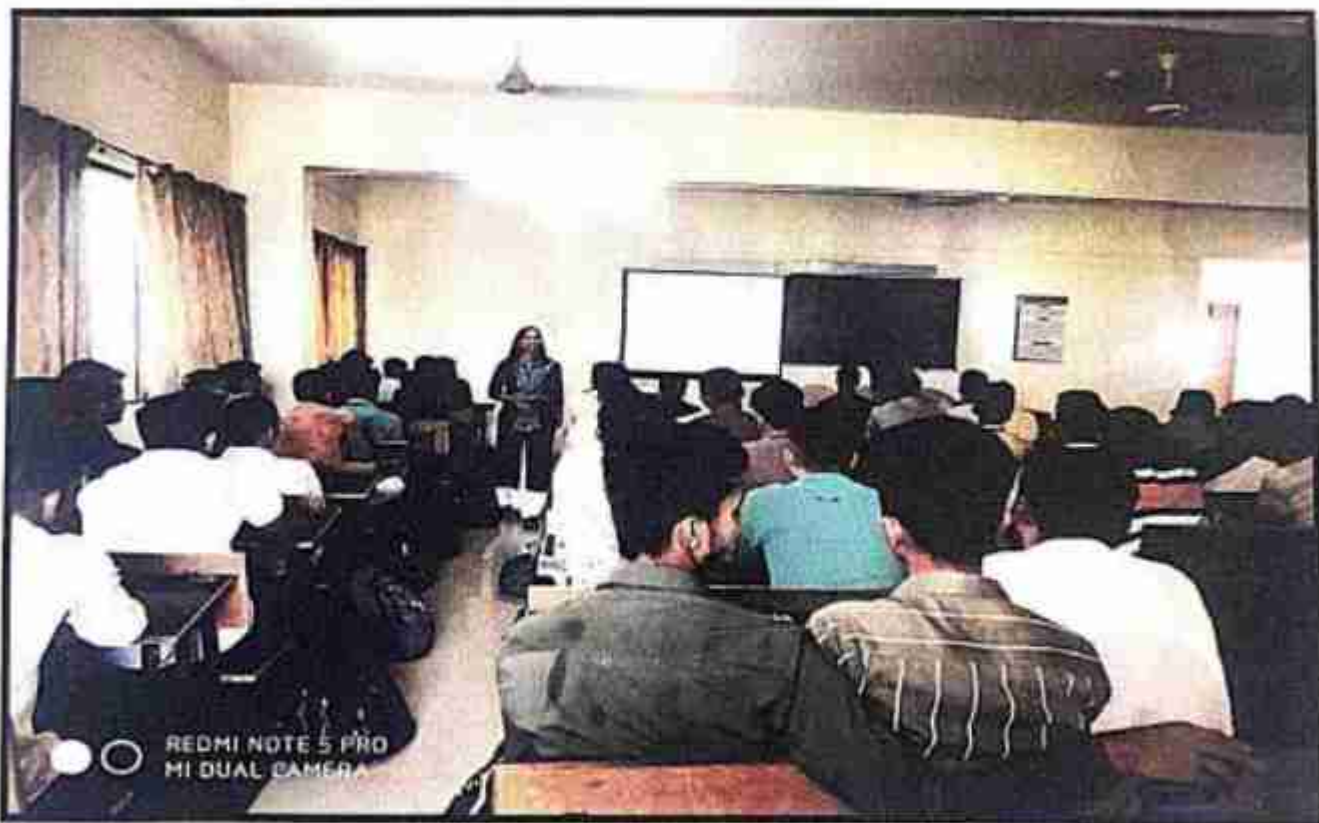

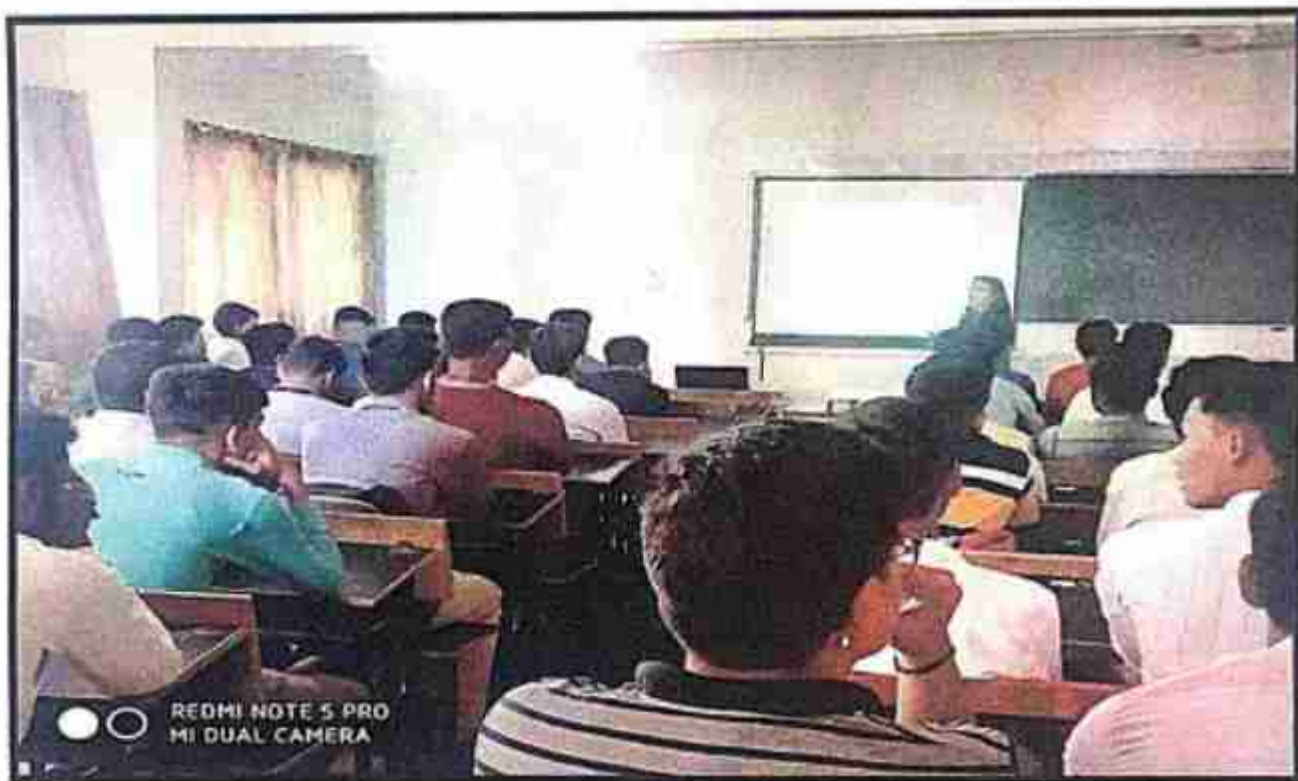

Resource Person: Mrs. Harshal Kajave (Entrepreneur, Kolhapur)

The guest lecture was conducted centrally on Friday, 23/09/2022 for the class of SY Mechatronics & Automation & Robotics Engineering on the topic "Presentation Skills". It was really helpful for students as they got detail information about presenting and communicating in particular circumstances.

The Resource Person, Mrs. Harshal Kajave guided the students regarding formal presentation. She gave some tips related with how to organise presentation material, how to deliver that content confidently, well-structured delivery of content etc.

At last question and answer sessions was conducted where the guest interacted with the students for their queries.

Introduction and vote of thanks was proposed by Central guest lecture committee head Mr.S.S.Sajane. Some glimpses of program are attached with this report.

Greetings from SITCOE

Subject: Invitation as an expert for the lecture on "3D Printing Technology"

Dear Sir,

We are the emerging institution of western Maharashtra, recognized by all India Council for Technical Education (A.I.C.T.E.) New Delhi and affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere. Since its inception our institute is taking untiring endeavors for the betterment of rural students.

We offer following degree courses in our institute.

Course	Intake
1. Mechanical Engineering	60
2. Electronics and Computer engineering	120
3. Electrical engineering	60
4. Computer Science & Engineering	180
5. Civil engineering	60
6. Artificial Intelligence and Data Science	60
7. Mechatronics Engineering	60
8. Automation and Robotics	60

We are glad to invite you as an expert for the lecture on "3D Printing Technology" on 13/02/2023 at 2.00 pm to 4.00 pm for SY Mechatronics and Automation & Robotics Students. So we would like to request you to grant us permission for concerned lecture. Your favorable response in this regard will be highly appreciated.

Report of Guest Lecture

Date: 13/02/2023

Time: 2.20 pm to 4.20 pm

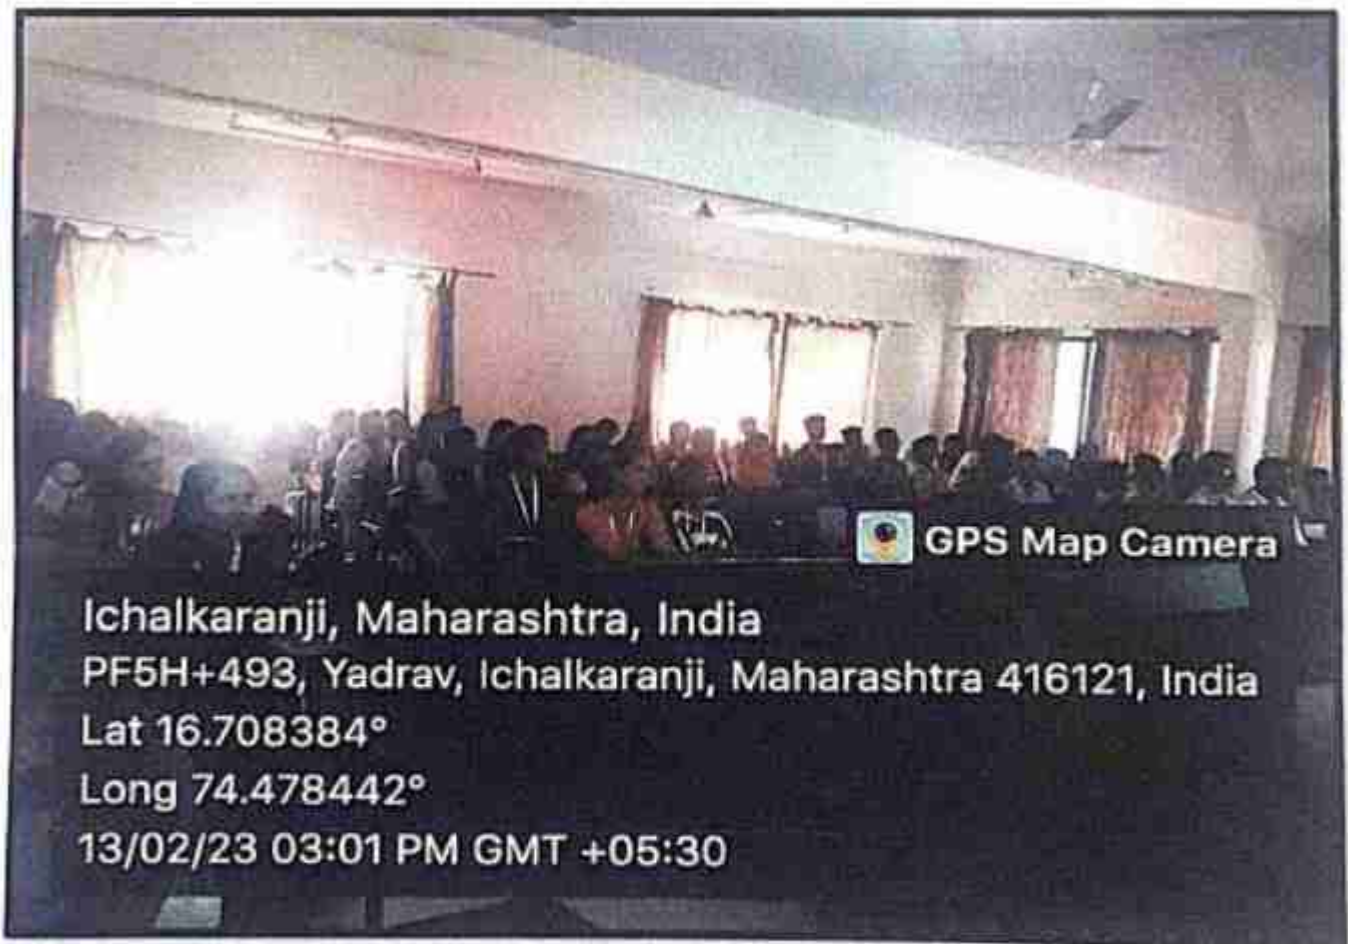

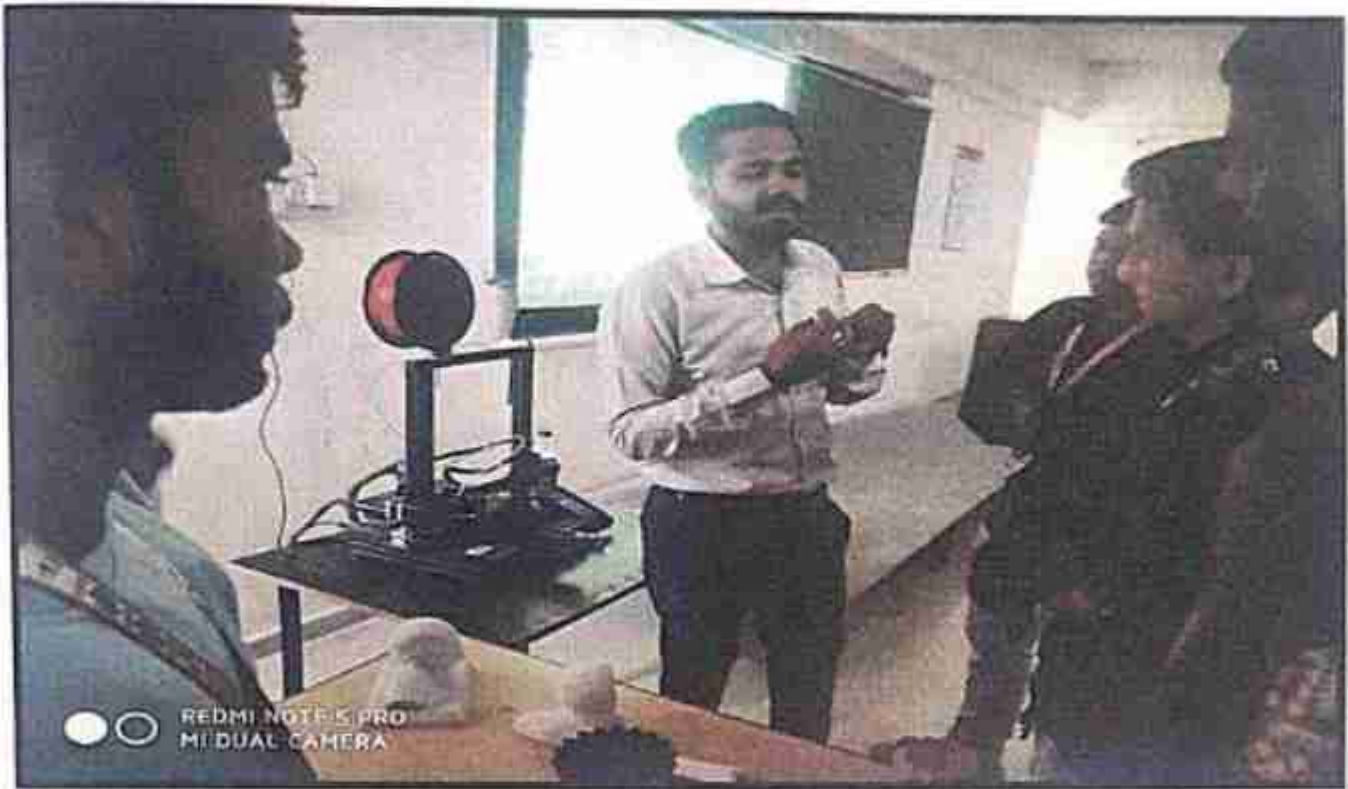

Topic: "3D Printing Technology"

Resource Person: Mr. Arun Yeware

The guest lecture was conducted on 13/02/2023 for the class of SY Mechatronics as well as Automation & Robotics department on the topic "3D printing Technology". The guest explained students about the various manufacturing process used in the industry to produce the final product.

The Resource Person, Mr. Arun Yeware sir then explained the students about 3D Printing Technology and its applications in different sectors of the industry. He also gave the demonstration of 3D Printing on the setup that he had brought from his Industry. He showed different objects that were manufactured using the 3D printing technology. At last a question and answer sessions was conducted where guest interacted with the students for their queries.

Introduction and vote of thanks was proposed by Mr.S.S.Sajane. Some glimpses of program are attached with this report.

We offer following degree courses in our institute.

Course	Intake
1. Mechanical Engineering	60
2. Electronics and Computer engineering	120
3. Electrical engineering	60
4. Computer engineering	120
5. Civil engineering	120
6. Artificial Intelligence and Data Science	60
7. Mechatronics	60
8. Automation and Robotics	60

We are glad to invite you as an expert for conducting Value Addition Program on "Machine Learning and Data Science" from 06th February 2023 to 11th February 2023. So we would like to request you to grant us permission for concerned program.

Your favorable response in this regard will be highly appreciated.
