Summary:

National Voters Day is celebrated on 25 January to encourage the youth to participate in the vote in the electoral process. It not only encourages the youth to participate in the electoral process but also focuses on the fact that the right to vote is a basic right.

It is celebrated on 25 January. The main objective behind the celebration is to encourage, facilitate, and maximize enrolment, especially for new voters. The day has been celebrated since 2011 across the country to mark the foundation of the Election Commission of India, i.e. 25th January 1950.

India is a democratic country. Every citizen has the basic right to vote. He or she has the right to select his leader to whomever they think is capable of leading the nation, solving the problems of common people, bringing about change, etc. National Voters Day is a significant root of India as the future of the country lies in the leader that we choose. If we do not come forward and choose the right leader then the progress and development of the country will be hampered and will also affect the people of the country. It is the leader of the country who decides various basic big projects and several things.

On the occasion of "National Voters' Day", Quiz activity was conducted in which 277 students and 11 faculty members participated. Certificate of participation is provided to all the participants. Also the awareness among students about participation by voting in various elections is increased through the "Voter Awareness Stall" at library of institute.
