Dear Alumini,

Many many greetings from Sharad institute of technology college of engineering, It is very grateful for us to have alumini like you. Our college trying to minimize the gap between industry and institute, your feedback is most valuable for the same.

Name of Alumini:-_____Passout Year:-_____

Name of the Company:-_____

Type of Company:-_____ Date of joining:-_____

Sr. No.	Quality Parameter	Grading				
	Please √ (Tick)to locate your answer	Excellent		Avg.	Poor	
		5	4	3	2	1
1	Do you able to apply science, Engineering nad mathematics knowledge to perform the job at your workplace? (PO-1) (PEO1)					
2	Do you find yourself confident to analyze the contempery issues (PO-2) (PEO1)					
3	And you are able to work out the solutions for it? (PO-3) (PEO1)					
4	How well you are able to work on new and complex problems? (PO-4) (PEO1)					
5	How effectively you are able to use software's and Modern tools at the workplace? (PO-5) (PEO3)					
6	How much you are capable to take the responsibility for the task assigned to you? (PO-6) (PEO2)					
7	How much you are aware about the effect of your work quality on safety, society and environment? (PO-7) (PEO2)					
8	How effectively you follow the organizational policies, discipline, secrecy, transparency etc.? (PO-8) (PEO2)					
9	How much effectively you works with other members of the team? (PO-9) (PEO2)					
10	How much effectively you communicate the things-verbally and in writing? (PO-10) (PEO2)					
11	How well you are able to handle project work, manpower and financial matters? (PO-11) (PEO3)					
12	Do you find yourself confident with new technology or learning new hings? (PO-12) (PEO3)					
13	How effectively you are able to undertake laboratory field and other data collection efforts to supports the study and solution of environmental and structural engineering problem.(PSO-1) (PEO1)					
14	Do you find yourself confident to assess the properties of different civil engineering materials for its application as per need. (PSO-2) (PEO3).
