Subject: Invitation as an expert for the lecture on "IoT based applications in signals & systems"

Dear Sir,

We are the emerging institution of western Maharashtra, recognized by all India Council for Technical Education (A.I.C.T.E.) New Delhi and affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere. Since its inception our institute is taking untiring endeavors for the betterment of rural students.

We offer following degree courses in our institute.

Course	Intake
1. Mechanical Engineering	60
2. Electronics and Computer engineering	120
3. Electrical engineering	60
4. Computer Science & Engineering	180
5. Civil engineering	60
6. Artificial Intelligence and Data Science	60
7. Mechatronics Engineering	60
8. Automation and Robotics	60

We are glad to invite you as an expert for the lecture on "IoT based applications in signals & systems" on 26th August 2022 at 12.10 p.m. So we would like to request you to grant us permission for concerned lecture.

Your favorable response in this regard will be highly appreciated.

Report of Guest Lecture

Date: 26/08/2022

Time: 12.10 to 02.10 PM

Topic: IoT Based applications in signals & systems

Resource Person: Dr.P.K.Kharat (Associate Professor, Walchand college of Engineering, Sangli.)

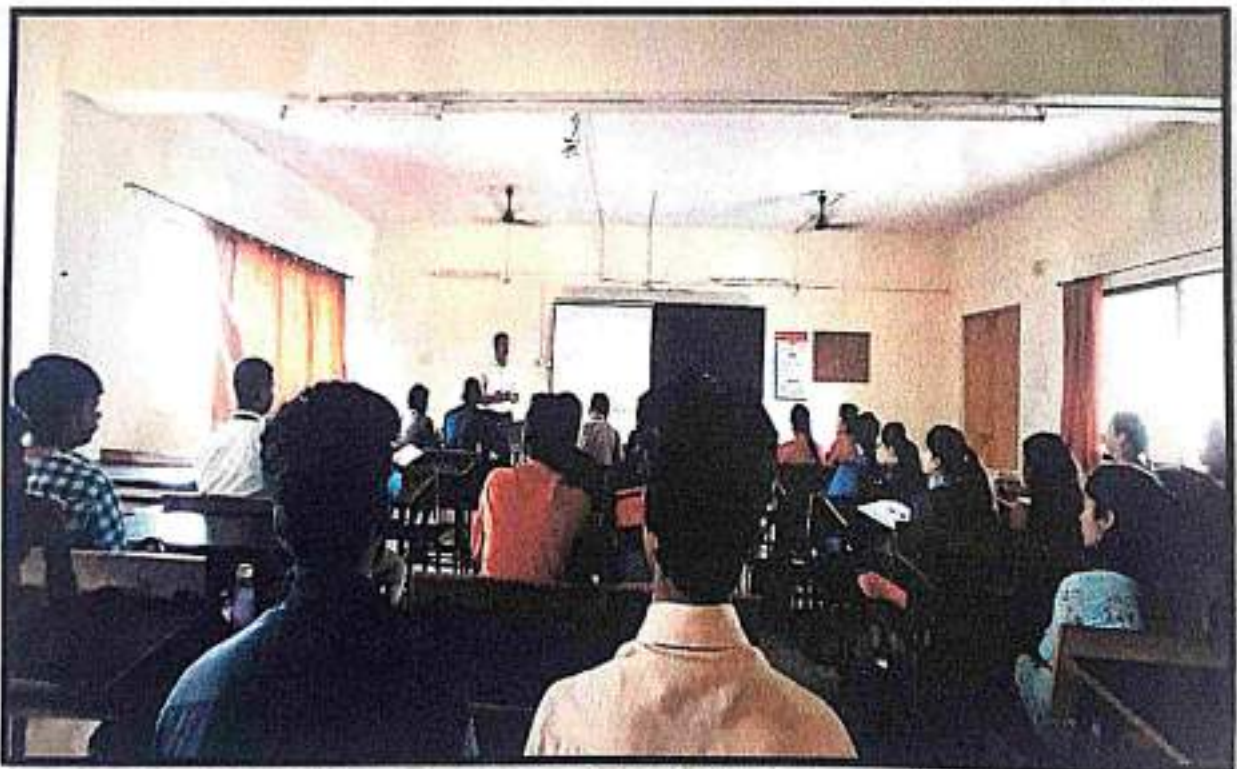

The guest lecture was conducted on Friday, 26/08/2022 for the class of TY Mechatronics on the topic of “IoT Based applications in signals & systems”. It was really helpful for students as they got idea about the practical applications of IoT.

The Resource Person, Dr.P.K.Kharat started the topic from basics of IoT i.e. how Internet of things can be used to describe physical objects with sensors, processing ability, software, and other technologies that connect and exchange data with other devices and systems over the Internet or other communications networks.

He also guided through various applications of IoT in signals and systems. At last he provided information about the current trends and applications of IoT in smart vehicles, smart homes, smart healthcare etc along with the future of IoT.

The strength of students was good for the lecture. 53 students out of 72 were present. Attendance sheet is attached with this report.

Introduction and vote of thanks was proposed by Mr.Y.Y.Kamble. Some glimpses of program are attached with this report.

Date: 15/11/2022

Time: 12.00 PM to 02.00 PM

Topic: Entrepreneurship Development

Resource Person: Mr. Ravindra Khaire

The guest lecture was conducted on Saturday, 15/11/2022 for the class of SY Mechatronics & Automation & Robotics Engineering on the topic "Entrepreneurship Development".

The Resource Person, Mr. Ravindra Khaire guided the students regarding how to start the business. He gave some practical example of few entrepreneurs and explained what difficulties are faced when people start their own business, what are the benefits of having or running your own company, how funds can be generated etc. He motivated all students to become entrepreneurs. At last question and answer sessions was conducted where the guest interacted with the students for their queries.

Introduction and vote of thanks was proposed by guest lecture committee head Mr.S.S.Sajane. Some glimpses of program are attached with this report.

Greetings from SITCOE
Subject: Invitation for conducting Value Addition Program on "Machine Learning and Data Science".

Dear Sir,

We are the emerging institution of western Maharashtra, recognized by all India Council for Technical Education (A.I.C.T.E.) New Delhi and affiliated to Dr. Babasaheb Ambedkar Technological University, Lonere. Since its inception our institute is taking untiring endeavors for the betterment of rural students. We offer following degree courses in our institute.

Course	Intake
1. Mechanical Engineering	60
2. Electronics and Computer engineering	120
3. Electrical engineering	60
4. Computer engineering	120
5. Civil engineering	120
6. Artificial Intelligence and Data Science	60
7. Mechatronics	60
8. Automation and Robotics	60

We are glad to invite you as an expert for conducting Value Addition Program on "Machine Learning and Data Science" from 06th February 2023 to 11th February 2023. So we would like to request you to grant us permission for concerned program.

Your favorable response in this regard will be highly appreciated.

Yours Truly
